SUPERFUND PROGRAM  
MANAGEMENT BRANCH

Dear Susan:

I am writing in answer to your letter of March 8, 1989.  
In response to your letter, I am listing the following  
information to the best of my knowledge.

- 1-A Walerko performs machining, tool and die work  
at our facility.
- 1-B Our manufacturing processes are cleaning of parts  
in water.
- 1-C Wastes generated are water.
- 1-D SIC number is: 3544
- 2-A Himco Waste Away disposes of our cardboard boxes,  
paper cups and paper. Thomas Walerko is the individual  
responsible for the disposal of waste materials.
- 3 Walerko makes yearly arrangements with Himco to  
dispose of waste.
- 4 There are no shipping documents for the disposal,
- 5 The common names of the wastes disposed are  
cardboard-boxes paper cups and paper.

In conclusion, cardboard-boxes, paper cups and paper are  
disposed of by Himco Waste Away. There are no hazardous  
wastes disposed by Himco Waste Away for Walerko Tool &  
Engineering Corporation.

Sincerely,

Thomas E. Walerko  
Vice President
